

KHAN

KHAN
Yeah I am.

MIKEY

Mikey, is really trying to process why here father has been absent from his life. Khan is embarrassed and ashamed for not being the father he knows his son deserved. He flashes a smile through his shame to give him comfort.

KHAN
I'm not dead. I'm here for good. So whenever you need me I'll be there.

MIKEY
So just like that you're here for me. Huh? You haven't been here all this time and all of a sudden your I'm supposed to believe you'll be here for me?

KHAN
I know I messed up. But I'll do better. I promise.

Mikey turns to his mom.

MIKEY
You really expect for me to love this dude?

Mom nods yes. Mikey turns to Khan.

MIKEY (CONT'D)
Do you even know how to love?
