

INT. KHAN'S HOUSE - DAY

Khan enters the kitchen shirtless as a half-naked Scarlett makes breakfast.

KHAN  
What you burning?

SCARLETT  
Funny. I'm making french toast  
and bacon. That's still your  
favorite right.

Khan grabs a piece of bacon off the plate and shoves it in his mouth.

KHAN  
Scar, you know it's ok to wear  
clothes sometimes right?

SCARLETT  
Boy bye. I'm proud of this body  
Khan so I'm going to flaunt it  
whenever possible.

Khan know's

KHAN  
You know you didn't have to drive  
all the way out here to bring me  
that gun.

SCARLETT  
Consider it a welcome home  
present. Besides, I know how much  
you loved that gun. I'm sure it  
pained you to be away from it for  
so long.

KHAN  
Pain is what my back is in from  
that couch. My first night back  
and I can't even sleep in my own  
bed?

SCARLETT  
No worries. It's all yours now.

Scarlett places Khan's plate in front of him. They eat.

SCARLETT (CONT'D)  
So what did Snow have to say?

(CONTINUED)

CONTINUED:

KHAN

Oh you saw that.

Scarlett facial expression instantly informs Khan that he asked a stupid question.

KHAN (CONT'D)

He asked me to join him.

SCARLETT

So what did he say when you told him no.

KHAN

Nothing worth repeating.

SCARLETT

I know the two of you were close, but things are different now. Power has a funny way of changing people. And with you coming back right after Hollow died, I'm sure he was trying to check your temperature.

Khan nods in agreement.

KHAN

I ain't worried about that shit he's on. I've gotta get things right with Monica and Lia.

SCARLETT

And how do you plan on doing that? Especially since you don't plan on telling her the truth about anything?

KHAN

How you figure that?

SCARLETT

Because the truth has her packing up her and your little girl and running for dear life.

Scarlett laughs at Khan's unthought out plan.

SCARLETT (CONT'D)

Seriously Khan, does she have any clue who the fuck you are?
