LEON  
How's it going Boss?

Leon is asked his name.

LEON (CONT'D)  
My name is Leon Ross the II. I'm an entrepreneur and a family man.

Leon is asked what he does for a living.

LEON (CONT'D)  
I'm in the trucking business. I've got a fleet of 10 trucks that travel nationwide.

Leon is asked how long he's been in the trucking business.

LEON (CONT'D)  
I've been in the trucking business for 15 years now. I started out driving, but shortly after I got married I managed to save up enough to by my first rig. One turned into two, then two turned into 10.

Leon is asked what he likes about trucking.

LEON (CONT'D)  
There's a lot that I love about trucking. The first thing is that I'm able to provide for my family. I grew up poor so my brother and I missed out on a lot of opportunities because we didn't have enough money. I wanted better for my kids. My kids go to the best schools in the area, live in a great house, and my wife has everything that she wants.

Leon is asked if he gets to spend a lot of time with his wife while running the business.

LEON (CONT'D)  
That's the only negative about what I do.

Leon drops his head.
