PARIS

Hello my name is Paris Blackwell and I am wife of Dr Ian Blackwell.

Paris is asked about her husband.

PARIS (CONT'D)

Ian is amazing man. He's brilliant, handsome and a great father to our children.

Paris is asked how they met.

PARIS (CONT'D)

Ian and I met when I was in the 9th grade. As a matter of fact he was my high school sweetheart. We broke up because he went off to college and neither of us were interested in a long distance relationship, but... as fate would have it we bumped into each other a few years back and had some fun and shortly after he proposed and we've lived happily ever after.

Paris is asked if she is sure

PARIS (CONT'D)

Of course I'm sure. Why wouldn't I be?

Paris is told that her husband has been having an affair. She's taken back by the news. Overrun with emotion, she struggles to fight back the tears.

PARIS (CONT'D)

He wouldn't. He wouldn't do that to me. or our children

Paris is handed photos of her husband with another woman. She looks at the photos. As she flips through them she cries. Eventually she gets up and exits the room.
