IAN
My name is Dr Ian Blackwell.

Ian is asked to tell about himself.

IAN (CONT'D)
Well what is there to tell? I'm a 31 year
old plastic surgeon with my own practice.
I have a beautiful wife name Paris. And
amazing daughter named Kori.

Ian is told that it sounds like he has it all. Ian smiles.

IAN (CONT'D)
What can I say? I'm blessed.

In is asked why does he cheat on his wife if he's so blessed.
Ian's face instantly changes as he's handed photos of
himself.

IAN (CONT'D)
What? Where did you get these?

Ian is now serious.

IAN (CONT'D)
Look. I love my wife but I wasn't ready
for marriage or this life, but I needed
to do the right thing. The three guys
Paris was with before me were all fucked
up. Outside of me she's been horrible at
choosing men. So I'm supposed to leave
her and have some bum as nigga over my
daughter? Hell naw.

Ian is frustrated as he thinks about his dilemma. He's then
asked if he thinks what he's doing is ok.

IAN (CONT'D)
(regretful)
Bro what a choice do I have?
