

CINDY CLARK  
Hi. I'm looking for Ted.

Ted looks Cindy Clark up and down. It's obvious he likes what he sees.

TED  
I'm Ted.

CINDY CLARK  
Hi. I'm Cindy Clark and I'm here to do a quick inspection of your home for insurance.

TED  
I don't know nothing about no inspection.

CINDY CLARK  
It was scheduled two weeks ago. What's your last name?

TED  
Earl. Cindy Clark

CINDY CLARK  
I believe that's the name. Let me check.

Cindy Clark checks her phone.

CINDY CLARK (CONT'D)  
Yep. 10AM appointment with Mr. Ted Earl.

TED  
Like I said I don't know nothing about that.

CINDY CLARK  
Is it possible that I can come in and take a quick look around. I've driven a long way and this is my last house for the weekend. It'll only take 10 minutes. I promise.

Ted is reluctant, but he abliges.

TED  
Come on in. Ted

Cindy Clark steps inside as Ted admires her backside.

CINDY CLARK  
Thank you.

Cindy Clark walks into the dining room and looks around.

Ted locks the door behind her.

The hood guys put down the controllers. Ted grabs a bat from behind the door. They get up and walk towards Cindy Clark, surrounding her.

TED (CONT'D)

My name, Columbus Earl. They just call me Ted, cause they said I looked like a Teddy Bear; so ain't now way the name Ted Earl showed up on nobody list. So what the fuck is you doing here?
