

KHAN
Hi Jacob. I'm your dad

JACOB
Are you really my dad?

KHAN
Yeah I am.

JACOB
I thought you were dead.

Jacob, is really trying to process why here father has been absent from his life. Khan is embarrassed and ashamed for not being the father he knows his son deserved. He flashes a smile through his shame to give him comfort.

KHAN
I'm not dead. I'm here for good. So whenever you need me I'll be there.

JACOB
You promise?

KHAN
I promise.

Jacob turns to his mom.

JACOB
Is it ok for me to love this dude?

Mom nods yes. Jacob turns to Khan.

JACOB (CONT'D)
Can you love me back?
