

DROP, a former pro boxer known for his quick temper punches Jimmy in the face when GOON approaches the door.

GOON
Hey new nigga, you done beating
on him yet?

Drop looks at Jimmy who's battered and lying in a pool of his own blood on the floor.

DROP
Yeah that's a wrap on this one.

GOON
Good. Snow wants to see him.

Together they grab Jimmy up off the floor and carry him into the other room. Goon lets Jimmy go and he falls to the floor and partially on Drop.

DROP
Damn nigga. Give me some warning
before you just let a muthafucka
go.

GOON
(mocking)
I heard you were a boxer. Ain't
ya'll supposed to have quick
reflexes DROP. What kinda name is
that anyway?

Not feeling the disrespect, Drop steps up and gets in Goons face, with his fist balled up by his side.

DROP
They named me that cause I drop
muthafuckas for a living. Now you
trying to get knocked the fuck
out?
