

SNOW, light-skinned well dressed man with a great smile, continues to clap as he enters the room. His bodyguard BEAR follows close behind. He stands in front of Jimmy, who spits blood on his shoes. Bear instantly kicks Jimmy in the mouth.

SNOW (CONT'D)

then it would count for something. Everybody knows I can appreciate that sweet science, but unfortunately for you it doesn't get me my motherfuckin money. Now you owed Hollow. And although, he's now the dearly departed, his debts are alive and well.

JIMMY

SNOW

Snow pulls his gun from his holster.

SNOW (CONT'D)

JIMMY

Snow, please don't kill me.

Wife begs for her husbands life. Snow looks over to wife, then slowly walks towards her after placing his gun back in his holster.

SNOW

Snow shoots Jimmy in the balls. He cries out in pain as Snow
rocks and comforts the baby.

SNOW

word.
