RICKY, enters the room looking around as if he were uncertain whether or not he's supposed to be there.

RICKY

NATALIE

Ricky takes a seat.

DR WAYNE
You seemed really upset on the phone. What's going on?

RICKY
(frustrated)

DR WAYNE
And why would she do that?

RICKY
I lost my job... again.

DR WAYNE
Is job displacement a regular occurrence for your?

RICKY
What you mean?

DR WAYNE
Do you get fired a lot?

Embarrassed by the question Ricky looks around to make sure no one besides the doctor can hear him.

RICKY
