

INT. STRIP CLUB

Security thoroughly searches two men entering the club. Once they're cleared, Khan approaches security who instinctively mean mugs him. Security walks over to pat him down.

OX

Put your hands in the air.

Khan doesn't put his hands in the air, and looks at him as though he has lost his mind. Ox realizes who it is.

OX (CONT'D)

Muthafucka!

Khan smiles, as he and Ox slap fives and embrace.

KHAN

Good seeing you my guy. I see these young boys still being disrespectful.

OX

And she still don't play that shit.

KHAN

I see.

Khan pauses for a moment, contemplating his next words.

KHAN (CONT'D)

How is she? For real.

Ox has been Scarlett's personal bodyguard for years so he knows what Khan means to her.

OX

(sincerely)  
She's good now.
