

KHAN  
Hi Missy. I'm your dad

MISSY  
Are you really my father?

KHAN  
Yeah I am.

MISSY  
I thought you were dead.

Missy, is really trying to process why her father has been absent from her life. Khan is embarrassed and ashamed for not being the father he knows his daughter deserved. He flashes a smile through his shame to give her comfort.

KHAN  
I'm not dead. I'm here for good. So whenever you need me I'll be there.

MISSY  
So just like that you're here for me. Huh? You haven't been here all this time and all of a sudden your I'm supposed to believe you'll be here for me?

KHAN  
I know I messed up. But I'll do better. I promise.

Missy turns to her mom.

MISSY  
You really expect for me to love this dude?

Mom nods yes. Missy turns to Khan.

MISSY (CONT'D)  
Are you even capable of loving me?
